

# James Girls Marie Printed Photos

This is the ONLY place, worldwide, these photo prints are available for sale.

Marie is a professional model and actress, brought to Mike's studio by one of his favorite customers (a celebrity who shall remain nameless). Marie happens to be his wife...the dirty dog. She has a professional portfolio of photos already. But they wanted the "Mike James" touch.

Marie is a wonder. Like most high-fashion models, she's thin and statuesque. But unlike most models, she's packing a chest to make Lucifer himself weep. And big, swooningly curvy hips. If possible, it's almost too much of a good thing. But

Mike says the greatest thing about Marie is actually her intelligence and wickedly dry sense of humor. "Being in the presence of such a remarkable beauty is a total treat. But to also laugh and be so entertained by her charming wit is just too, too much. Which just goes to show, some guys have all the luck."
